JULIUS LEHMANN'S CASE TO BE HEARD IN JANUARY.

tenced to Be Hanged Next Month-Proceedings of Supreme Court.

REPUBLIC SPECIAL Jefferson City, Mo., Nov. 18.-The Supremo Court to-day affirmed the Butler County Circuit Court in the case against Steve murder of his wife, and named December 19 as the date for the execution. Clark killed his wife with a butcher knife at Poplar Bluff in a fit of jealousy in which he charged her with keeping company with one Ed Lewis. The lower court sentenced Clark to die and the Supreme Court finds no reversible error.

The court reversed and remanded the case

The court reversed and remanded the case of Jesse Cook and Roy Frogge of Buchan-an County because the indictment was faulty and because in cities-of 1,000 inhabifaulty and because in clines of 1,000 innata-tants a jury panel in criminal cases should consist of forty-seven men. Only forty were drawn in this case and the defend-ants got a new trial. Cook and Frogge had come to the Penitentiary to serve ten years for murder in the second degree and had served several months during their

appeal.

The court reversed and remanded the case of Mattie Kelley of St. Louis, who had been sentenced to two years in the Penitentiary for attempting to defraud Mueiler Bros. Furniture and Carpet Company. The papers in the case do not show that the company delivered the goods to the defendant, and the court reverses the case for that reason. Frank Williams of Sedalia was given four

years in the Penlientiary for assault with attempt to kill Wm. Walton. Charles Pohl of Marics County also gets four years for assault to kill Enoch Baum-

gartner.
Ed Milligan of Harrison County gets four years for forgery.
